JEDDAH

Public Advisory No. 2016/90

Date: 04 August 2016

Assistance for Affected Workers

The Philippine Consulate General in Jeddah notes that there has been an outpouring of support from the Filipino community for stranded OFWs. At the same time, OWWA has appropriated funds, both for the distribution of financial assistance and goods/foodstuff, to the affected workers.

In order to harmonize efforts of the community and ensure that all workers requiring immediate assistance are given help, groups and individuals intending to give relief assistance are requested to coordinate with the Consulate General, through the following:

- FILCOM groups who wish to provide relief assistance to the affected workers and directly visit their project camps may coordinate with the Consulate General to inform which camp they will go to for monitoring purposes.
- They may coordinate with the Consulate General to find out which project camps still need further assistance.
- Individuals and groups may provide donations (in-kind donations are preferred) through the Consulate. The donations will be properly accounted and an acknowledgment of receipt will be given to the donors.
- FILCOM groups are also encouraged to contact the Consulate General to identify stranded workers who have not yet been accounted for, including those whose companies are not listed in OWWA Memorandum of Instruction 008 Series of 2016 but are similarly situated. Enclosed are the companies, projects and camps, with the designated coordinators, which have so far been accounted

for by POLO/OWWA-Jeddah for the Relief Assistance Program (RAP), both financial assistance and goods, for reference.

To facilitate effective coordination, the Consulate General has designated the following focal persons for the relief assistance for affected workers:

| Concern | Focal Person/s | Contact |
|---|---|------------------------------|
| Relief goods/ foodstuff | Vice Consul Alexander Joseph Estomo and Assistant Labor Attaché Rosario Mangahas (2 nd Floor, Rooms 1 and 2) | 0534240362 and 0508759917 |
| Financial Assistance | Welfare Officer Angel Cruz, Jr. (Ground Floor, POLO/OWWA) | 0530843305 |
| Passports and Special Power of Attorney | Consul Rodney Jonas L. Sumague (3 rd Floor, Administrative Section) | 0555219379 |

Our Kababayans are further advised to be more discerning in giving donations to groups and individuals who are soliciting support in behalf of the stranded workers. Give donations only to groups/individuals who have established a good track record in helping distressed OFWs. It is also suggested that donors ask the soliciting groups/individuals to provide a report on how the donations were distributed.
