**INTERIM GUIDELINES FOR THE
ENTRY, RE-ENTRY AND STAY OF FOREIGN STUDENTS
IN THE PHILIPPINES DURING THE COVID-19 PANDEMIC**

By virtue of the Revised Bureau of Immigration (BI) Advisory Guidelines issued pursuant to the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) Resolution Nos. 97 and 98 s. 2021 allowing foreign nationals/students to return to the Philippines, and CHED Commission en Banc (CEB) Resolution No. 693-2021 s. 2021, the Commission has approved the issuance of these Interim Guidelines for the purpose of an Entry Exemption Document addressed to the Department of Foreign Affairs (DFA) for those Foreign Students with the appropriate entry visa to enter/re-enter and travel to the Philippines and to continue their studies in their respective Philippine Higher Education Institutions (HEIs) during the COVID-19 pandemic.

I. Background:

In 2020, at the onset of the COVID-19 pandemic in the Philippines, foreign embassies with the assistance of CHED, have organized the repatriation of respective nationals. Consequently, the HEIs have adopted flexible learning modalities and approaches so that Foreign Students can continue their studies and complete their academic requirements, even if they are outside of the Philippines.

Through the Office of Student Development and Services (OSDS), the CHED has closely collaborated and coordinated with the Inter-Agency Committee on Foreign Students (IACFS). The latter is composed of representatives from the BI, the DFA, the National Bureau of Investigation (NBI), the National Intelligence Coordinating Agency (NICA), and the Office of the President - General Government Administration Office (OP-GGAO). IACFS discussed urgent issues and concerns affecting Foreign Students during the pandemic. The OSDS has likewise collaborated and sought the recommendations of the Department of the Interior and Local Government (DILG) and the Department of Health – Bureau of Quarantine (DOH-BOQ).

Pursuant to the Revised BI Advisory Guidelines issued in accordance with the latest IATF-EID Resolutions, holders of 9(A) or tourist visas may be allowed to travel to the Philippines subject to the presentation of requirements under the said Advisory.
